

**ONE YEAR LIMITED WARRANTY**  
(Valid in USA only)

HoMedics, Inc., guarantees this product free from defects in material and workmanship for a period of one year from the date of original purchase, except as noted below.

This HoMedics product warranty does not cover damage caused by misuse or abuse; accident; the attachment of any unauthorized accessory; alteration to the product; or any other conditions whatsoever that are beyond the control of HoMedics. This warranty is effective only if the product is purchased and operated in the USA. A product that requires modification or adaptation to enable it to operate in any country other than the country for which it was designed, manufactured, approved and/or authorized, or repair of products damaged by these modifications is not covered under warranty. HoMedics shall not be responsible for any type of incidental, consequential or special damages. All implied warranties, including but not limited to those implied warranties of fitness and merchantability, are limited in the total duration of one year from the original purchase date.

To obtain warranty service on your HoMedics product, either hand deliver or mail the unit and your dated sales receipt (as proof of purchase), postpaid, along with check or money order in the amount of \$5.00 payable to HoMedics, Inc. to cover handling.

Upon receipt, HoMedics will repair or replace, as appropriate, your product and return it to you, postpaid. If it is appropriate to replace your product, HoMedics will replace the product with the same product or a comparable product at HoMedics' option. Warranty is solely through HoMedics Service Center. Service of this product by anyone other than HoMedics Service Center voids warranty.

This warranty provides you with specific legal rights. You may have additional rights which may vary from state to state. Because of individual state regulations, some of the above limitations and exclusions may not apply to you.

## Experience the Magic of ColorMotion

Thank you for purchasing Color Cube 50. This product is built with high-quality craftsmanship to provide you years of dependable service. We hope that you will find it to be the finest product of its kind.

Create excitement anywhere. Inside this box lies the magic of the color cube. It's fun. It's cool. And it's created for your enjoyment. Use it at a party, chill with it, study with it, boogie with it, sleep with it, decorate with it, meditate with it... use it with your friends or by yourself. It's in your hands from here... just enjoy it!

## IMPORTANT SAFETY INSTRUCTIONS:

When using an electrical appliance, basic precautions should always be followed, including the following:

**READ ALL INSTRUCTIONS BEFORE USING**

**WARNING - To reduce the risk of burns, fire, electric shock or injury to persons:**

- This product is not a toy.
- Not intended for use by children.
- For adult use only.
- Do not use with extension cords.
- For indoor use only.
- Use this appliance for its intended use as described in this manual.
- Never operate this appliance if it has a damaged plug or housing. If it is not working properly, if it has been dropped or damaged, return it to HoMedics Service Center for examination and repair.
- To disconnect, remove plug from outlet.
- Never cover the appliance when it is in operation.
- Plug only in exposed wall outlets where Nite Cube is well ventilated and cannot contact bed coverings or other material that might present a fire hazard.
- Do not operate where aerosol (spray) products are being used or where oxygen is being administered.

## The Color Cube Features

- Choose from:
  - 8 hip color settings OR Continuously changing color program
- Nite sensor automatically turns the Color Cube on when room darkens and off when room lightens

**Caution: All servicing of this product must be performed by authorized HoMedics Service Personnel only.**

- For use in standard outlet
- Can be used in daylight and darkness to enjoy the benefits of color therapy

## Instructions for Use

1. Set up the unit by first turning prongs and stabilizer out. (Fig 1)
2. Plug the Color Cube 50 into a 120V household outlet.

This unit is equipped with a Nite Sensor, which automatically turns on the unit when the room darkens and off when the room lightens. There is an on/off switch located on the back of the unit, which allows you to decide if you want to use this function. (Fig 2)

3. To use in a well-lit room, first turn Nite Sensor to the off position.
  - a. To use the color program, press the Program button. (Fig 3) The program will run through a continuously changing color program until the unit is turned off.
  - b. To use the solid glowing colors, press the Color button. (Fig 3) Continue pressing to scroll through the 8 different colors. Stop on the color you desire and the Color Cube will glow in this color until you turn it off or select something different.
4. To use the Nite Sensor function, first slide Nite Sensor to the On position. The unit will immediately turn on if the room is dark. It will run with the last selected program or solid glowing color. When room lightens, the unit will automatically turn off.
  - While in Nite Sensor mode, the user can still manually turn off and on by pressing the corresponding Off, Color or Program buttons.

## Maintenance

**To Store:** You may leave the unit on display or you can store in its box in a cool dry place.

**To Clean:** First remove from outlet. Wipe off dust with a damp cloth. Never use liquids or abrasive cleaners to clean.
